OZ Growth Fund, LLC

Ladies and Gentlemen:

This subscription agreement (together with the Investor Questionnaire and the Investor Data Sheet, collectively referred to herein as the “**Subscription Agreement**”) is made by and among OZ Growth Fund, LLC a Delaware Corporation (the “**Fund**”), and the undersigned individual or entity (the “**Investor**”) who is hereby applying to become a shareholder (a “**Holder**”), on the terms and conditions set forth in this Subscription Agreement.

SUBSCRIPTION.

The Investor hereby irrevocably subscribes for one or more Units. The Units with a subscription amount (the “**Subscription Amount**”) as set forth on this page above and the signature page hereof (subject to reduction as provided below). The Investor acknowledges and agrees that the Fund will notify the Investor as to the conditional acceptance, in whole or in part, or rejection of the Investor’s subscription for Units. Units will not be deemed to be sold or issued to, or owned by, the Investor (and an Investor’s subscription for Units, in whole or in part, will not be deemed finally accepted) until the Investor is admitted as a Holder (notice of which shall be given promptly in writing to the Investor). The Investor acknowledges and agrees that the Fund reserves the right, in its sole discretion, to admit the Investor as a Holder on the date of any closing of the Fund (each such date of admission, a “**Closing Date**”) and that the Fund reserves the right, in its sole discretion, to reject this subscription for Units, in whole or in part, at any time prior to any Closing Date, notwithstanding execution by or on behalf of the Investor of the signature page hereof or notice from the Fund of its conditional acceptance of the Investor’s subscription for Units. If this subscription is rejected in full, or in the event the closing applicable to the Investor does not occur (in which event this subscription shall be deemed to be rejected), this Subscription Agreement shall thereafter have no force or effect.

The Investor agrees to be bound by the terms of the Operating Agreement.

Representations And Warranties Of The Investor. The Investor hereby represents and warrants to, and agrees with, the Fund that the following statements are true as of the date hereof and will be true as of the Closing Date applicable to the Investor and as of each date on which the Investor makes any additional subscriptions:

The Investor’s Units are being acquired for its own account solely for investment and not with a view to resale or distribution thereof.

The Investor acknowledges that (i) the offering and sale of the Units have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**Securities Act**”), or any applicable state law or the applicable laws of any other jurisdiction, and are being made in reliance upon U.S. federal and state exemptions for transactions not involving a public offering and (ii) pursuant to Section 3(c)(1) of the United States Investment Company Act of 1940, as amended (the “**Investment Company Act**”), the Fund will not be registered as an investment company under the Investment Company Act. In furtherance thereof, the Investor represents and warrants that: (I) (A) it is an “accredited investor” (as defined in Regulation D promulgated under the Securities Act), or (B) it is not a U.S. Person (as defined in Regulation S promulgated under the Securities Act); and (II) the information relating to the Investor set forth in the Investor Questionnaire attached hereto and forming a part of this Subscription Agreement is complete and accurate as of the date set forth on the signature page hereof and will be complete and accurate as of the Closing Date applicable to the Investor. If the Investor is not a U.S. Person, the Investor further represents and warrants that (1) the Investor has not subscribed for the Units for the account of any Person who is a U.S. Person, (2) the offer and sale of the Units to the Investor constitute an “Offshore Transaction” (as defined in Rule 902 promulgated under the Securities Act), and (3) the Investor will not resell or transfer the Units, other than in accordance with this Subscription Agreement, the Operating Agreement, the provisions of Regulation S (Rules 901 through 905) and Preliminary Notes (as defined in Regulation S), pursuant to registration under the Securities Act or pursuant to any other available exemption from registration. The Investor agrees that it will not take any action that could have an adverse effect on the availability of the exemption from registration provided, in the case of an Investor covered by clause (I)(A) above, by Regulation D promulgated under the Securities Act or, in the case of an Investor covered by clause (I)(B) above, by Regulation S promulgated under the Securities Act, with respect to the offer and sale of the Units.

In connection with the purchase of the Units, the Investor meets all suitability standards imposed on it by applicable law. The Investor is not structured or operated for the purpose or as a means of circumventing the provisions of the Investment Company Act. If the Investor is a corporation, limited liability company, trust, partnership or other entity, then the Investor represents and warrants that: (i) the Investor was not formed for the specific purpose of acquiring the Units and (ii) the Investor’s Subscription Amount does not constitute, and after the Closing Date applicable to the Investor will continue not to constitute, more than 40% of the combined amount of the Investor’s total assets and committed capital. If the Fund relies on the exemption provided in Section 3(c)(1) of the Investment Company Act and the regulations issued thereunder (the “**Section 3(c)(1) Exemption**”) in order to not be required to register as an investment company, and if the Investor is a corporation, limited liability company, trust, partnership or other entity, then the Investor represents and warrants that: (i) the Investor does not control, is not under common control with, or controlled by, any other investor in the Fund and no Persons other than the Investor will have a beneficial interest in the Units (other than as a shareholder, partner or other beneficial owner of an equity interest in the Investor) and (ii) except as expressly set forth in the “Supplemental Questions for Entities” of the Investor Questionnaire, the Investor constitutes one beneficial owner for purposes of Section 3(c)(1) of the Investment Company Act. If the Fund relies on the Section 3(c)(1) Exemption, then without the prior written consent of the Fund, the Investor shall not take any action which shall increase the number of beneficial owners of the Investor’s Units in the Fund to more than one Person (or such other number as is expressly set forth in the “Supplemental Questions for Entities” of the Investor Questionnaire) for purposes of Section 3(c)(1) of the Investment Company Act.

The Investor has been furnished with, and has carefully read, the Confidential Private Placement Memorandum of the Fund (together with any supplements or amendments thereto issued

through the date hereof, the “**Memorandum**”) and has been given the opportunity to (i) ask questions of, and receive answers from, the Fund or any of its Affiliates concerning the terms and conditions of the offering of Units and other matters pertaining to an investment in the Fund and (ii) obtain any additional information necessary to evaluate the merits and risks of an investment in the Fund that can be acquired by the Fund without unreasonable effort or expense. In considering a subscription for the Units, the Investor has evaluated for itself the risks and merits of such investment including the risks set forth under the caption “Risk Factors” in the Memorandum, and is able to bear the economic risk of such investment, including a complete loss of capital, and in addition has not relied upon any representations made by, or other information (whether oral or written) furnished by or on behalf of, the Fund, the Board of Managers (“**Board**”), or any director, officer, employee, agent or Affiliate of such Persons, other than as set forth in the Memorandum, the LLC Agreement and this Subscription Agreement. The Investor has carefully considered and has, to the extent it believes necessary, discussed with its own legal, tax, accounting and financial advisers the suitability of an investment in the Fund in light of its particular tax and financial situation, and has determined that the Units being subscribed for hereunder is a suitable investment for the Investor.

The Investor, if it is a corporation, limited liability company, trust, partnership or other entity, is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization and all other jurisdictions where it is authorized to conduct business, and the execution, delivery and performance by the Investor of this Subscription Agreement and the LLC Agreement are within the Investor’s corporate or other powers, as applicable, have been duly authorized by all necessary corporate or other action on its behalf, require no action by or in respect of, or filing with, any governmental body, agency or official (except as disclosed in writing to the Fund), and do not and will not result in a breach of any of the terms, conditions or provisions of, or constitute a default under, any provision of any charter, by-laws, trust agreement, indenture, mortgage, deed of trust, credit, note or evidence of indebtedness, or any lease or other agreement, or any license, permit, franchise or certificate, regulation, law, judgment, order, writ, injunction or decree to which the Investor is a party or by which the Investor or any of its properties is bound. This Subscription Agreement has been duly executed and delivered by the Investor and constitutes a valid and binding agreement of the Investor, enforceable against the Investor in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors’ rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

If the Investor is (directly or indirectly) investing the assets of an employee benefit plan or retirement plan, account or arrangement (a "**Plan**") that is subject to the fiduciary responsibility provisions of Part 4 of Subtitle B of Title I of the United States Employee Retirement Income Security Act of 1974, as amended from time to time ("**ERISA**"), Section 4975 of the United States Internal Revenue Code of 1986, as amended from time to time (the "**Code**"), or any provisions of any federal, state, local, non-U.S. or other laws or regulations that are similar to those provisions contained in such portions of ERISA or the Code (collectively, "**Similar Law**"): (i) the decision to purchase the Units was made by a "fiduciary" (within the meaning of Section 3(21) of ERISA and the regulations thereunder, or as defined under applicable Similar Law) (a "**Plan Fiduciary**") of the Plan that is unrelated to the Fund or any of its employees, representatives or Affiliates and that is duly authorized to make such an investment decision on behalf of the Plan; (ii) the Plan Fiduciary has taken into consideration its fiduciary duties under ERISA or any applicable Similar Law, including the diversification requirements of Section 404(a)(1)(C) of ERISA (if applicable), in authorizing the Investor's purchase of the Units, and has concluded that such investment is prudent; (iii) the Investor's decision to invest in the Fund and the acquisition of the Units contemplated thereby is in accordance with the terms of the Plan's governing instruments and complies with all applicable requirements of ERISA, the Code and any applicable Similar Law; (iv) the purchase, holding and disposition of the Units by the Investor will not result in a prohibited transaction under Section 406 of ERISA, Section 4975 of the Code or any applicable Similar Law for which an exemption is not available; (v) the Investor has not solicited and has not received from the Fund, the Company or any director, officer, employee, agent or Affiliate thereof, any evaluation or other investment advice on any basis in respect of the advisability of a subscription for the Units in light of the Investor's assets, cash needs, investment policies or strategy, overall QOZ composition or plan for diversification of assets and it is not relying and has not relied on the Fund, the Board or any director, officer, employee, agent or Affiliate thereof for any such advice; and (vi) neither the Fund, the Board nor any director, officer, employee, agent or Affiliate thereof is a "fiduciary" (within the meaning of ERISA or any applicable Similar Law) of the Plan in connection with the Investor's purchase of the Units.

If the Investor is (directly or indirectly) investing the assets of a Plan that is not subject to the fiduciary responsibility provisions of Part 4 of Subtitle B of Title I of ERISA or the provisions of Section 4975 of the Code but is subject to the provisions of any Similar Law, the underlying assets of the Fund will not constitute "plan assets" of such Plan under the provisions of any such Similar Law.

UNDERSTANDINGS. THE INVESTOR HEREBY UNDERSTANDS, ACKNOWLEDGES AND AGREES WITH THE FUND AS FOLLOWS:

The information contained in the Memorandum is confidential and non-public, and all such information shall be kept in confidence and not disclosed to any third person (other than the Investor's advisers or representatives) for any reason, except to the extent required by applicable law or administrative or judicial process; provided, however, that this obligation shall not apply to any such information that (i) is part of the public knowledge or literature and readily accessible at the date hereof, (ii) becomes part of the public knowledge or literature and readily accessible by publication (except as a result of a breach of this provision) or (iii) is received from third parties (except third parties who disclose such information in violation of any confidentiality agreements or obligations entered into with the Fund).

The Investor agrees to provide promptly such information and execute and deliver such documents as may be necessary to comply with any and all laws and regulations to which the Fund may be subject and ensure the accuracy of the Investor's representations and warranties herein.

The Units have not been approved or disapproved by the United States Securities and Exchange Commission (the “**SEC**”) or by any other federal, state or foreign securities commission or regulatory authority, and none of the foregoing authorities has confirmed the accuracy or determined the adequacy of the Memorandum or this Subscription Agreement. Any representation to the contrary is a criminal offense.

The Units are speculative investments and involve a high degree of risk. There is no public market for the Units, and no such public or other market is expected to develop. The transferability of the Units is substantially restricted both by the terms of the LLC Agreement and applicable law. In order to ensure the Fund's compliance with the Section 3(c)(1) Exemption, no initial and subsequent sales, assignments, or transfers of Units shall be made if such sale, assignment or transfer would violate the “**one hundred beneficial owner**” limitation under the Section 3(c)(1) Exemption. Investors in the Fund have no rights to require that the Fund register the offer or sale of the Units on behalf of the Investors or to assist the Investors in complying with any exemption from registration under the Securities Act, any state law or the laws of any non-

U.S. jurisdiction. The Investor will not be able to receive the benefit of the provisions of Rule 144 or 144A adopted by the SEC under the Securities Act with respect to the resale of the Units in the Fund. Accordingly, it may not be possible for the Investor to liquidate the Investor's investment in the Fund.

The Investor understands and agrees that in order to ensure compliance under applicable anti-money laundering laws and regulations, the Fund may require a detailed verification of the identity of a Person desiring to purchase the Units. Depending on the circumstances, a detailed verification might not be required where: (i) the Investor makes its capital contributions from an account held in the Investor's name at a recognized financial institution; or (ii) the subscription is made through a recognized intermediary. The Fund reserves the right to request such information as is necessary to verify the identity of an Investor. In the event of delay or failure by the Investor to produce any information required for verification purposes, the Fund may refuse to accept the Investor's subscription until proper information has been provided.

The Investor covenants and agrees that it shall provide the Fund, at any time during the term of the Fund, with such information as the Fund determines to be necessary or appropriate to (i) verify compliance with the anti-money laundering regulations of any applicable jurisdiction or (ii) respond to requests for information concerning the identity of the Investor from any governmental authority, self-regulatory organization or financial institution in connection with the Fund's anti-money laundering compliance procedures.

The Investor understands and agrees that if any of the representations and warranties set forth in Section 2(m), (n), (o) or (p) ceases to be true or if the Fund no longer reasonably believes that it has satisfactory evidence as to their truth, notwithstanding any other agreement to the contrary, the Fund may be obligated to freeze the Investor's investment, either by prohibiting additional investments and/or segregating the assets constituting the investment in accordance with applicable regulations, or the Investor's investment may immediately be involuntarily withdrawn by the Fund, and the Fund may also be required to report such action and to disclose the Investor's identity to OFAC or any other authority. If the Fund is required to take any of the foregoing actions, the Investor understands and agrees that it shall have no claim against the Fund or any of its respective Affiliates, members, partners, shareholders, officers, directors, employees or agents for any form of damages as a result of any of the aforementioned actions.

The Investor certifies under penalties of perjury that (i) (A) the Investor's name, taxpayer identification or social security number (if applicable) and address provided in the Investor Data Sheet are correct and (B) the Investor has completed and returned with this Subscription Agreement the appropriate IRS Form(s) (W-9, W-8BEN, W-8IMY, W-8ECI or W-8EXP), and (ii) (A) if the Investor is a "**United States person**" (as defined in the Code), the Investor is not a non-resident alien individual, foreign corporation, foreign partnership, foreign trust or foreign estate (as defined in the Code), (B) if the Investor is not a "**United States person**" (as defined in the Code), the Investor is a non-resident alien individual, foreign corporation, foreign partnership, foreign trust or foreign estate (as defined in the Code) and (C) the Investor will notify the Fund within 60 days of any change in such status. The Investor agrees to complete properly and provide to the Fund in a timely manner any tax documentation that may be reasonably required by the Fund.

If the Investor is (directly or indirectly) investing the assets of a Plan that is subject to Title I of ERISA, Section 4975 of the Code or any Similar Law, the Investor hereby acknowledges and agrees that, in the event the Fund forms an entity through which the Investor will make its investment in the Fund, by making a capital contribution to such entity, the Investor shall be

deemed to (i) direct the managing entity of such entity to invest the amount of such capital contribution in the Fund and (ii) acknowledge that, during any period when the underlying assets of such entity are deemed to constitute “**plan assets**” under ERISA, the Code or any Similar Law, the managing entity of such entity will act as a custodian with respect to the portion of the assets of such entity that are deemed to be assets of the Plan but is not intended to be a fiduciary with respect to such assets for purposes of ERISA, the Code or any Similar Law.

If the Investor is (directly or indirectly) investing the assets of a Plan that is subject to the fiduciary responsibility provisions of Part 4 of Subtitle B of Title I of ERISA, then in the event that the assets of the Fund are deemed to include “**plan assets**” of such Plan under Section 3(42) of ERISA or the U.S. Department of Labor “**plan asset**” regulations, 29 CFR Section 2510.3-101 (the “**DOL Regulations**”), the Investor hereby appoints (or a named fiduciary of the Plan has appointed) the Investment Manager as an “**investment manager**” (as defined in Section 3(38) of ERISA) and a “**fiduciary**” (as defined in Section 3(21) of ERISA) with respect to the portion of the assets of the Fund deemed to be assets of such Plan. The Investor hereby represents and warrants that it has the power to make such appointment or that it is taking such action through a named fiduciary of such Plan who is authorized to act on behalf of such Plan in this regard. If applicable, the Investment Manager hereby accepts such appointment and acknowledges that it will be a fiduciary with respect to such Plan to the extent of such appointment. For so long as the assets of the Fund are deemed to include “**plan assets**” for purposes of Title I of ERISA or Section 4975 of the Code, the Investment Manager shall use its commercially reasonable efforts to assure that (i) it is registered as an investment adviser under the Advisers Act, (ii) none of the disqualifications described in Section 411 of ERISA apply to the Investment Manager and (iii) it satisfies the requirements of a “**qualified professional asset manager**” set forth in DOL Class Exemption 84-14. The Fund and/or the Investment Manager shall promptly notify the Investor if it has reason to believe that any of the representations and warranties set forth in this Section 4(j) may cease to be satisfied. The Investor agrees to provide promptly to the Fund such information as the Fund may from time to time reasonably request for purposes of determining whether the assets of the Fund are “**plan assets**” within the meaning of Section 3(42) of ERISA or the DOL Regulations, the applicability of certain exemptions from prohibited transactions under ERISA and the Code and any other matters relating to ERISA or compliance with ERISA arising in connection with the Investor’s investment in the Fund, or the operation or investments of the Fund.

INDEMNIFICATION.

The Investor shall indemnify and hold harmless the Fund, the Board, the Investment Manager and each officer, director, limited partner, member, manager, employee, Affiliate, agent or control person of the Fund, the Board or the Investment Manager (“**Fund Indemnitees**”) from and against any and all expenses, losses, claims, damages, liabilities and actions, suits or proceedings (whether civil, criminal, administrative or investigative and whether such action, suit or proceeding is brought or initiated by the Fund or a third party) that are incurred by or threatened, pending or completed against the Fund Indemnitees or any of them (including, without limitation, legal fees and expenses, judgments, fines and amounts paid in settlement) based upon, resulting from or otherwise in respect of (i) any actual or alleged misrepresentation or misstatement of facts, or omission to represent or state facts, by or on behalf of the Investor concerning the Investor, the Investor’s suitability or authority to invest or the Investor’s financial position in connection with the offering of the Units, including, without limitation, any such misrepresentation, misstatement or omission contained in or accompanying the Investor Questionnaire or the Investor Data Sheet submitted by or on behalf of the Investor and forming

a part of this Subscription Agreement, or (ii) the breach of any of the Investor's representations, warranties, covenants or agreements set forth in this Subscription Agreement.

The reimbursement and indemnity obligations of the Investor under this Section 5 shall survive the Closing Date applicable to the Investor and shall be in addition to any liability that the Investor may otherwise have (including, without limitation, liabilities under the Operating Agreement) and shall be binding upon and inure to the benefit of any successors, assigns, heirs or legal representatives of any Fund Indemnitees and the Fund.

MISCELLANEOUS.

This Subscription Agreement shall be enforced, governed and construed in all respects in accordance with the internal laws of the State of Delaware applicable to agreements made and to be wholly performed in such state.

Failure of the Fund to exercise any right or remedy under this Subscription Agreement or any other agreement between the Fund and the Investor, or otherwise, or delay by the Fund in exercising such right or remedy, will not operate as a waiver thereof.

This Subscription Agreement, the Investor Questionnaire and other agreements or documents referred to herein contain the entire agreement of the parties with respect to the subject matter hereof. There are no representations, warranties, covenants or other agreements except as stated or referred to herein and in such other agreements or documents.

This Subscription Agreement may be executed in counterparts with the same effect as if the parties executing the counterparts had all executed one counterpart.

Except as otherwise provided herein, this Subscription Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. If the Investor is more than one Person, the obligations of the Investor shall be joint and several, and the representations, warranties, covenants, agreements and acknowledgments herein contained shall be deemed to be made by and be binding upon each such Person and its successors and permitted assigns.
